Hello again Ms. Lucero,

Thank you for taking the time and researching the land ownership of T 13N R 11W SW/4 Section 13. EPA Region 9 is pursuing potentially responsible parties at the Haystack mines in this area and needs to contact the owner of this parcel before we begin response actions. Prior research indicates the land was administered by the Bureau of Indian Affairs. Any information you could provide regarding the history of this parcel is appreciated.

If you have any additional questions, please contact me at 415.972.3113.

Enjoy your weekend!

Steven
